

## Test request for technical managers working in snorkeling centers

The applicant should send the documents listed below in a One PDF file via <mailto:ss.serv@cdws.travel> for South Sinai and Cairo, and <mailto:rs.serv@cdws.travel> for the Red Sea governorate and Alexandria or via WhatsApp on the number (+201223250555) for the South Sinai and Cairo or on (+201277911288) for the Red Sea and Alexandria, considering completing all the following documents:

1. Request for a test for snorkeling in the subject of the email or in a whatApp message
2. Recent personal photo (not older than 6 month), (size 260x260) with a white background, high resolution with no hat or glasses on
3. [Fill the attached test request form](#)
4. [Fill the attached form \(for those who did not apply previously to a CDWS card\)](#)
5. Copy of the national ID (for Egyptians)
6. The CDWS ID card if available
7. Copy of the education certificate (at least high school certificate)
8. A valid license from an international organization accredited by the CDWS
9. First Aid certificate from an organization accredited by the CDWS
10. The original graduation certification should be presented only for review

The documents will be reviewed, in case they meet the requirements the membership department will schedule an appointment for the test via e-mail or whatsApp within a maximum period of two working days

### Note:

The certified technical managers who have passed the international criteria are not required to take this test.

The bench mark for the technical manager test is 80% for each department.
